## TITE ALUMNI SPEAKS

I am proud to be a student of TITE which in my view is an engineering college par excellence. The faculties are extremely helpful and friendly who are always ready to help students. The hostels are clean, airy and ideally located in the lap of nature to foster encouraging study environment. The college labs having highly recommended and updated machines & devices add lots of value to our learning process.

**PUJA BINDHANI | MBA, TITE**

Our college not only provides MBA degree but gives us the life changing experience and knowledge, by providing the best of faculties that are like our friends and mentors. Apart from regular classes, the periodic seminars and workshops are a major plus along with plenty of extracurricular activities which ensure an exciting learning environment for us & to shape our career. The wellstocked library is also a distinctive feature of our college.

**ASUTOSH SAMANTARAY | MBA, TITE**

## CAMPUS FACILITY

- 18 acres of eco-friendly and pollution free campus.
- Smart classroom at i-hub, infocity, BBSR
- More than 2.4 lakh sq.ft. built up academic area with well stocked library
- 24 hours Wi-Fi enabled campus
- Separate hostels for boys and girls.
- On campus accommodation for faculty & staff
- Technical labs
- Digital and Wi-Fi enabled library
- ICT Enabled Facilities
- Training and grooming Centre for the students.
- Integrated with IIG Varsity

## SALIENT FEATURES

- Ragging Free Campus
- Smart Class rooms
- A/C Conference Hall
- Regular Study Tour
- 24X7 CCTV Surveillance
- Training on Emerging Technologies
- Excellent Placement Record
- Bio metric Attendance System
- Agri demonstration centre at Kapilash
- Well equipped Labs and Workshops
- Hostel facilities for boys and girls
- Personality development programmes
- Regular Seminar & Work shop by Experts
- Regular Doubt Clearing & Extra Classes
- Regular Correspondence with Parents
- Scholarships to meritorious students

## WHY TITE SHOULD BE THE FIRST CHOICE OF A TECHNO-ASPIRANT...

Making a choice for an institution to become a successful technocrat is a difficult task, as it is a lifetime affair. Many questions haunt the aspirant's mind which needs to be addressed rationally and convincingly before the final choice of destination is sealed! Here are certain hard facts about TITE which will automatically lead the aspirants to their cherished destination with ease. . .

- Located in a lush green eco-friendly campus in the Smart City of Bhubaneswar, the Capital of Odisha, TITE offers all modern facilities to students for their academics, professional and cultural growth.
- One of the top ranked engineering college with BPUT affiliation and approval of AICTE.
- Offers high quality Teaching-Learning System with a team of well qualified and experienced faculty, well equipped modern labs, Projects & modeling, excellent industry linked practices to broaden the knowledge base.
- Close personal and tutorial care for students.
- Excellent results in university examinations.
- Pre-placement training by professional trainers & internal faculty members.
- Round the year visit of Industry professionals for campus recruitment drives.
- Impressive track records of placement in past years.
- TITE organizes regular interaction with industrialists, entrepreneurs on start-ups, scope & procedures for self employment ventures, technology up-gradation etc.
- Internal Quality Assurance Cell (IQAC) for development and application of quality parameters as a continuous measure.
- Wi-Fi enabled campus (24x7).
- Ample open space and amenities for various types of Sports & Games.
- Provision of in-house training, Internship & 100% Placement assistance with the help of IIG VARSITY.

## TITE AT A GLANCE

It is an institute for new generation students where efficient entrepreneurs are produced. Apart from acquiring engineering knowledge & skill, students are exposed to those qualities, which make them excellent human beings and they imbibe ethical work culture essential to become a successful professional.

The unique aspects of the institute's MBA program is to meet the growing needs of industry and groom students for higher studies in institutes of National & International repute. We bring about desirable and need-based innovative skills relevant to the changing needs of the Industry.

### MESSAGE FROM CHAIRMAN

**DR. AVAYA KUMAR NAYAK, Ph.D**  
**OAS (Special Secretary) Retd.**  
**Former Registrar , Utkal University**

Keeping its vision and mission in mind, TITE works honestly and fervently to shape those who are responsible for shaping the future of the nation. To cope up with the dynamic world, TITE endeavors to generate a pool of human resources who can contribute genuinely and intellectually to create a

better tomorrow for the country and the world. The innovative curriculum at TITE is a healthy mix of contemporary education infused with ethical values aimed at shaping the students into efficient professionals with humane attitude. We believe in team work, commitment and promote intuition & tolerance to ambiguity. We encourage our students for positive and innovative thinking and train them to look for opportunity in every adversity. I wish every student from our Institute goes ahead to become an asset for the society.

### MESSAGE FROM PRINCIPAL

**PROF ( DR.)AJIT KUMAR KHATUA ,**  
**M. Tech. & Ph.D(Mechanical)**

TITE has been growing from strength to strength in imparting quality technical education to budding aspirants to harness and explore the vast opportunities available from time to time. From its inception, the major focus and endeavor of the institute has been to groom the young

minds through classroom teaching, industrial visits, model projects, seminars, lessons in communication skills, participation in sports, cultural events, social service, etc. to prove their mettle in industry & academic research. Our team of well qualified and dedicated faculty, lab-technicians & instructors, modern labs with excellent facilities and infrastructure constitute the main driving force behind the institute's success.

### MESSAGE FROM ADVISOR

**PROF. (DR.) BENUDHAR BHUYAN,**  
**Ph.D. (Ag. Economics, USA & IARI, New Delhi)**

It gives me immense pleasure to see TITE emerging as a vibrant and dynamic institute in the state having an unparalleled commitment towards quality & excellence in education. Its suitable location adjacent to IIT, Bhubaneswar makes the atmosphere

more scenic and serenity, leading to the ideal platform for study and learning. TITE is privileged to have a dedicated team of faculty members, who work with an untiring zeal to pursue the vision & mission of the institute. In recent times a professional degree, like agri-management has undoubtedly become the foremost academic qualification for all leading banks, both in Government & Private Sector.

### MESSAGE FROM DEAN, ACADEMICS

**PROF. (DR.) ANADI CHARAN SAHOO,**  
**Ph.D.(Computational Fluid Dynamic)**

I congratulate all the students for preferring TempleCity Institute of Technology & Engineering (TITE), Khordha, Odisha as a destination of their professional education. The motto of our institute is "commitment to a relentless pursuit towards imparting quality education to meet the ever-changing

requirements of today's industry by continuous streamlining and updating the course curriculum". Modern teaching methods using Digital Classes and LCD projector in all class rooms, train the mind of the young future entrepreneur. Moreover a lot of emphasis is given to train the students to improve and enrich their communication skills and managerial skills to meet the demand of the present corporate world. I am sure that they will enjoy their study here and shall equip with industry ready knowledge and skills to realise their aspirations and dreams.
